

EUROPEAN COMMISSION
HEALTH AND CONSUMERS DIRECTORATE-GENERAL

Deputy Director-General

SANCO

17. 09. 2009

Brussels,
SANCO D4/LC/dn D(2009) 441109

Dear Mr Dankvert,

Referring to my letter of 26 June 2008 (ref. SANCO D4/RH/mh D(2008) 440792), I would like to bring a new amendment to the list of approved laboratories which may issue safety certificates in the framework of paragraph 6 of the Memorandum of 26 March 2008 on the safety of plant products for human consumption exported from the European Community (EC) to the Russian Federation concerning pesticide residues, nitrates and nitrites.

The modification regards the approved laboratories in Spain:

Spain: re-inscription of laboratories previously deleted from the list

The following laboratories have been previously deleted by the Russian side from the list in application of point 8 of the Memorandum of 26 March 2008. The Spanish authorities are willing to discuss with you bilaterally how to provide the guarantees that you need as to the quality of functioning of these laboratories. It is requested to add on the list, as soon as this process will be completed:

Agriquem AGQ
